PROFILE

I am a passionate and dedicated IT professional with a solid foundation in programming, web development, and problem-solving. Passionate about technology and continuous learning, I am always eager to enhance my skills and stay updated with industry trends. Additionally, I possess strong knowledge in computer hardware and troubleshooting, allowing me to provide technical support when needed.

WORK EXPERIENCE

Unilever Sri Lanka   2020-2021
Office Assistant

- Assisted with document management, data entry, and office coordination, improving workflow efficiency.
- Provided technical support for office equipment (printers, computers, networks), troubleshooting minor issues.

E-Link Solutions   2022-2023
Computer Hardware Technician

- Diagnosed and repaired computer hardware components
- Installed/configures Windows/Linux OS with driver and software packages
- Set up and troubleshooted office networks (router configuration, LAN/Wi-Fi connectivity).

EDUCATION

HIGHER DIPLOMA in Computing and Software Engineering   2023-2025
International College of Business and Technology / Cardiff Metropolitan University

Computer Hardware Technician (NVQ Level 4)   2022
National Vocational Training Institute – Niyagama

GCE Ordinary Level A5,B2,C2
